Bylaws

The evening was spent going over the proposed bylaws and standing rules, assembled and written by the Bylaws Committee, Charlotte Byrne and Elizabeth Eastmond.

The discussion was at times intense, but always vigorous as we worked to iron out any wrinkles and make the bylaws and standing rules suitable for our Guild. We started with the Bylaws, going over them Article by Article. Then we next turned to the Standing Rules, doing the same until the meeting adjourned.

The proposed timeline is as follows:

- August: discussion by board, and revisions, with the board voting on the bylaws sometime mid-August. If they pass, we move to:
- September: Bylaws up on the website by mid-September
- October: discussion of bylaws and voting by the membership, with hopeful passage.

There will be a transition committee formed to assist the Guild make the necessary changes.

10:15 p.m. Meeting adjourned

Respectfully submitted,

Elizabeth Eastmond
