

How to Navigate our Website

raincrossquiltguild.com

This is the front (home) page of our Raincross Quilt Guild Website. Here are some of the parts:

1. **Right underneath** the title of our guild are a series of word groups, such as **Bylaws, Forms and Fliers, Programs** and so forth. THESE ARE ACTIVE LINKS and if you click on them, they will take you to these topics.
To get back to this page, click on the words at the top: *Raincross Quilt Guild*, as it is a link.
2. **Front Page.** Also called the **Home Page**, this section is a series of photos from our meetings, chosen randomly, which can change. Below that is information about where we meet and when.
----- **At the Bottom of the Page** -----
3. **Follow Button.** If you are new to our guild, type your email in the box, and click FOLLOW. Save the email you receive, in case you ever want to stop following this blog.
4. **Search Box** (Find it Fast!) will help you find things you want on this website. Type in a key word and hit "Search" and it will save you a lot of time.

More Items on the Home Page

Some of the tabs in the website header are a direct, clickable link.

Raincross Quilt C

WE ARE · PROGRAMS ▾ ACTIVITIES AN
LAWS · BI PROGRAMS 2024-2025 x FL

Other tabs might have a downward arrow, as shown above (enlarged). When you see this, it means there is more to this tab than just one item.

For example, PROGRAMS has a downward arrow. While there is only one year of programs there now, it will eventually have more than one year. Hover your cursor over the top of that Tab and the drop-down menu will show up. Why do this? To save space on the Home Page, and to group all similar things together (like the Minutes).

Who We Are

We are the Raincross Quilt Guild, located primarily in Riverside, California but gather quilters from all over the Inland Empire.

We invite you to join us at our next meeting, held the third Tuesday of each month from 6:30-8:00 pm. We begin gathering a bit early, around 6 p.m. Visitors may attend for a suggested donation of \$5.00 per meeting. Please ask the greeter as you walk in the back doors for more information.

Our meetings are held at the [Janet Goeske Center which is located at 5257 Sierra St, Riverside, CA](#).

Our blog presence is primarily to be of assistance to our members in providing a link to our guild, internet resources, monthly and yearly calendars and information on our ongoing projects such as community service and upcoming events.

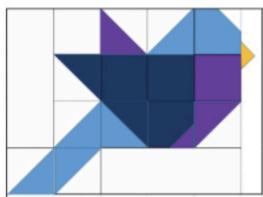

This tab will take the reader to an overview of who the Raincross Quilt Guild is, from where we meet, to our purpose as a Guild. It also has a listing of our Officers of the Guild.

Make 3 pieced birds to start off this mystery quilt. Two yards of background fabric should be enough for the background of all blocks.

Our Annual Exchange Game and we'll be exchanging Table Runners or Table Toppers. They can be any size or any season or color. Make yours, then bring it in an unsealed bag for our Exchange Game (you can disguise it with tissue paper, etc. You will check in at a table, and receive a number tag in exchange for your gift.

Below are some ideas. Do a Google Image Search to find the info on the ones below (some are patterns and some are from books).

The current month is always on top. When we finish with that programs, the date box will be made gray, and it will be moved to the bottom of this stack.

The person who is doing Programs for that year will send the info to be put up on our website.

Click on the Blog & Archives Tab, and you'll see a page with all these little titles.

Once a month we'll post a round-up of our General Meeting, with all the Show and Share photos, along with a few candid photos.

Looking at Tabs: Members Only and Other Tabs

We keep our rosters, Treasurer's reports, Zoom links, and other types of information that needs to be secured, under the **Members Only** tab.

There are other tabs, not described here, which also store information:

- **Community Projects** tells about the charities we support as a Guild
- **Bylaws** has both our Bylaws and Standing Rules
- **Forms and Fliers** has budgetary forms, as well as some of the patterns we use in our Community Projects
- **Activities and Retreats** gives information about upcoming Retreats, as well as information about any activities. If we hear about a quilter's garage sale, the flier will go up on this tab. (It is kind of like our bulletin board.)

Feel free to explore our website! If you have any questions, please contact us at our email: raincrossqg@gmail.com.
