RQG 2026 BOM – October and November

Five blocks 6" x 6" finished (6½ x 6½ unfinished).
Block #10 – Friendship Stars

We made small friendship stars for the long flying geese block. Now, we will make some a little larger.

For first friendship star:

Cut from background

4 – 2½" squares
2 – 3 ½" squares

Cut from color

1 – 2½" square
2 – 3 ½" squares

Half Square Triangles (4)

Place 1 background and one color 3 ½" square RST. Draw diagonal, stitch ¼" on both sides of the line, cut on the line, press, trim to 2 ½" squares. Repeat with remaining 3 ½" squares.

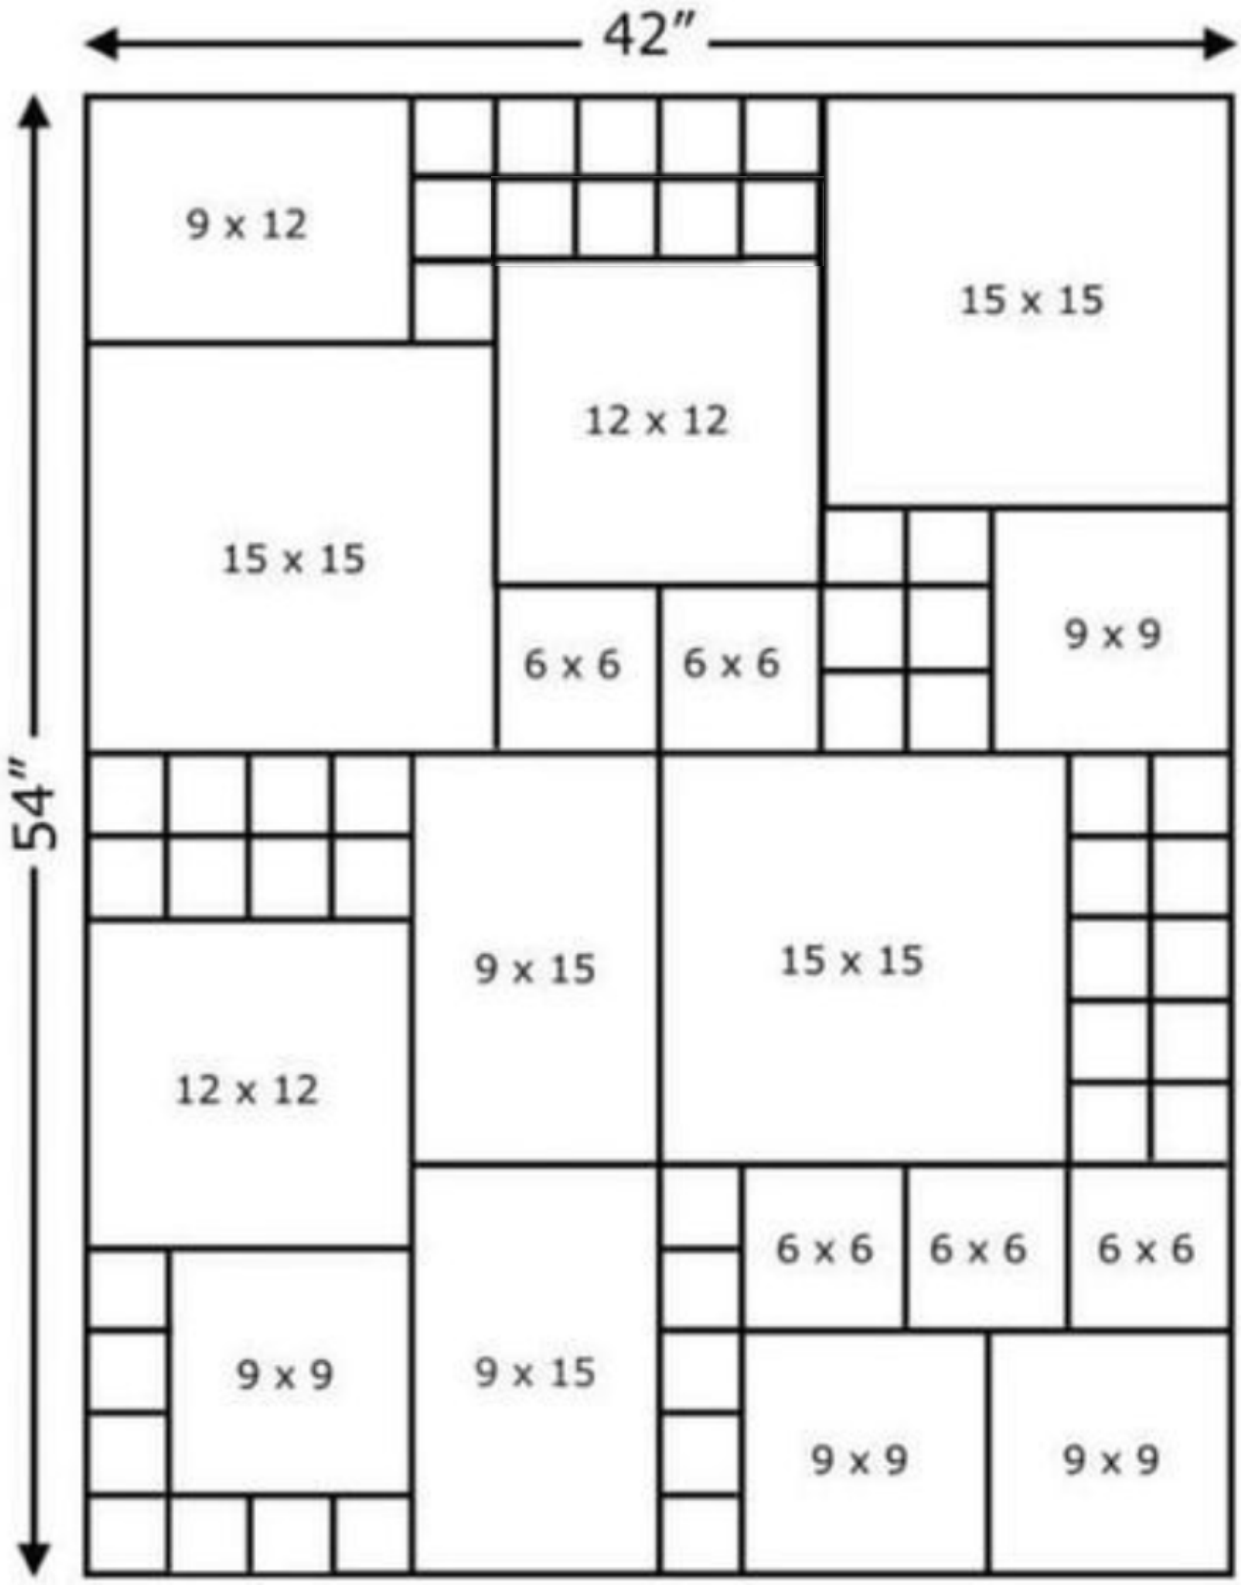

Lay out parts according to photo. Stitch rows then stitch together.

Now, make two more exactly the same and stitch them together.

Next make two more individual friendship stars with different color fabrics.

Finally, you need 47 - 3 ½" squares from non-background fabrics. Rather than waiting until next month for the final piece of this year's BOM we are including the final layout. This may help decide your 3½" squares.

In December we will share the tops or the completed quilts.
